Realistic Image With Stunning Clarity

The ADMIROR series offers a 14" and 15.6" 16:9 FHD IPS display, both with extra-wide 178-degree viewing angle. The lifelike image quality, support up to 72% NTSC color gamut, offers an enjoyable viewing experience browsing websites or watching video clips.

Exceptional Audio-Visual Experience

Music is a big part of an identity. ADMIROR's 2 full range speakers and 4 passive boosters are set to bring out the best audio-visual experience for your enjoyment.

Extra Large Touchpad

Explore endless possibilities with ADMIROR's Precision Touchpad (PTP) technology which supports up to four-finger smart gestures. This feature allows you to navigate websites and videos with greater ease.

Incredible Performance that Brings Superb Productivity

ADMIROR is so much more than its look. Thanks to the new Ryzen™ R8 3500U processor and up to 8GB RAM, the processing speed is greatly enhanced. Supporting SSD of up to 256GB, the ADMIROR is your ideal storage solution.

Backlit Keyboard For Unbounded Exploration

The backlit design of the Full Size keyboard enables you to locate each keycap in dimly-lit environments. Work and entertainment are no longer constrained by time and place. This feature makes uninterrupted workflow possible and helps you explore the world anytime anywhere.

Connectivity that fits your needs

With two built-in USB-C ports, the ADMIROR is the perfect for work on the go. The ADMIROR comes with a USB-C to USB, HDMI and 3.5mm audio jack adapter, ensuring the highest connectivity. Meanwhile, the USB-C to 3.5mm headphone jack cable allows you to indulge in your favorite jam.
